

# Train Counts through Saugerties (Jan. 12-26, 2006)

TOTALS      38      31.5      29      35      27      26      29

GRAND TOTAL (for the 15 days): 215.5 (averages a little more than 30 trains per day)

Train travel is seasonal (higher before Christmas, for example), but extrapolating these figures gives you: 5,243 trains per year
