Approval of minutes (with Correction noted)

Public Comment (General discussion of Railroad disruption of service on Rt 212/Ulster Ave)

Town Update - Ray Mayone

- *Three crews are out doing repairs to any damage done to lawns from plowing
- *Materials needed to maintain the roads in Bishop's Gate used to get just salt but the price of materials has gone up considerably requiring a new salt/sand mixture
- *Roads in the housing project behind EmergentCare are not Town roads-private property
- *Are rules on the Complete Streets Project enforceable?
- *Stormwater repairs will begin after the Town cleanup efforts are completed

Village Update - Alex Wade submitted a correction to the January minutes...he is involved in a

- "Boot Camp" training section of the Safe Streets Grant application process. (How to Document need for the actual Grant) NOT the actual receipt of the Grant.
- *Property sold on North Street receiving Federal monies for Workforce housing is now Considered to be "clean"
- *The Dog Park location and regulations were discussed at length

Police Update - Sergeant Costagnola There were no major problems...in fact accidents are Down due to the favorable weather conditions this winter

- *Damage done to Bluestone walks by the Reese Insurance Building will be Repaired by By the State

Chairperson Update - Leeanne Thornton Brought the committee up to date on the UCTC Policy Proceedings including: upcoming Highway Grade Crossings money available

- Applications due 4/1/2023-3/2024...at a 50% State match (Sidewalks can be included)
- *Update on the Town of Ulster Corridor management; Assessments of bridges/roadways in the County; and the Kingston Railroad Safety Study.
- *The UCTC Transportation website is undergoing an update (\$30,000)

Miscellaneous - Barbara Budik brought information to the group regarding Marc Molinaro's appointment to the Transportation Committee at the Federal level. This could be a method of acquiring more \$ for the Town's future efforts in Grants and Studies
