

Hello,

I am excited to share with you all an exciting new way that you can help build Village Playgrounds. It's called CLYNK!

CLYNK is sponsored by Hannaford Supermarkets. It is both an easier way to return deposit bottles and a way for you to help fund the Village of Saugerties Playground Fund account

Here's how it works:

1. Pick up one or more bags at the Village Offices on Partition Street (or for more information call Heidi Brandt at 845-247-8750). These bags have a scan-able UPC sticker that will work with a scanner at Hannaford Supermarket in Kingston (see step 4).
2. Fill a CLYNK bag with glass, metal or plastic returnable bottles and cans.
3. Return each full bag to Hannaford Supermarket in Kingston.
4. Scan the sticker with scan gun.
5. Open the bin door and drop the bag in.

IT'S EASY!!!

CLYNK at Hannaford will sort and count the returnables and deposit the money directly into the Village of Saugerties Playground Fund account.

Again, to pick up a bag, visit the Village Offices on Partition St./or FMI call Heidi Brandt @ 845-247-8750.

Can't get to Hannaford? NO WORRIES! I can do it for you. You can drop off any bags in the driveway at 17 Lafayette St.

And THANK YOU for participating and helping make Saugerties playgrounds safe and fun for our children.

Heidi Brandt
