

GLASCO MINI-PARK:

Located in the southerly portion of Saugerties, directly on the Hudson River, in the hamlet of Glasco.

The river-front park features a large Boat Launch with concrete ramp and dock, which is able to accommodate two boats / vehicles simultaneously.

A second smaller launch accommodates kayaks and “carry-ons”.

Overnight Launching is allowed provided you obtain a Permit from the Town Clark’s Office at 4 High Street, Saugerties.

Other amenities include a small pavilion with picnic tables and cooking grills, a children’s playground, Fishing Pier, park benches and spectacular views of the Hudson River.

Further information may be obtained by calling the Parks, Recreation and Buildings Department at 845-246-5890 x 310.

MALDEN MINI-PARK:

Located in the northerly portion of Saugerties, directly on the Hudson River, in the hamlet of Malden-on-Hudson.

The river-front park features a Boat Launch with concrete ramp and dock. Currently, at this time, (June, 2009) plans are in place to upgrade the present Boat Launch and Docking. Completion is anticipated by Spring, 2010.

Overnight Launching is allowed provided you obtain a Permit from the Town Clark’s Office at 4 High Street, Saugerties.

Other amenities include picnic tables, cooking grills, park benches and spectacular views of the Hudson River.

Other upgrades and additions are being considered.

Further information may be obtained by calling the Parks, Recreation and Buildings Department at 845-246-5890 x 310.
