

# **COME OUT AND SUPPORT YOUR FIRST RESPONDERS!**

Hello all,

I hope this announcement is finding everyone well. As many of you are aware our First Responder community in Ulster County and surrounding areas have dealt with some type of unforeseen tragic event in one form or another.

Our Sheriff, Juan Figueroa, has helped the Ulster County Sheriff's Office create a Wellness Program, which consists of a Resiliency Officer Program and Critical Incident Stress Management Team (CISM).

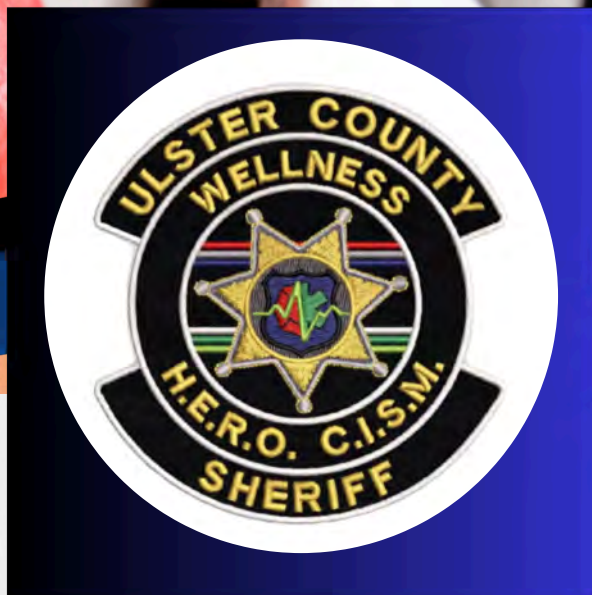

The goal of the Wellness Program is to help support our community of First Responders to become resilient and help them going forward by offering them much needed support. We need to take better care of our first responders.

We would like to announce that we will be hosting a Wellness Fundraiser at Kingston Lane Bowling Alley. All the proceeds raised from this event would directly support our First Responders, Police, Fire, EMS, and Dispatchers throughout the year. If you're interested in participating, please see the attached flyer for details on how to sign up and support Ulster County's Hero's!

Sincerely,  
The Ulster County Sheriff's  
Wellness Unit
