

Town of Saugerties Conservation Advisory Commission

Meeting minutes for June 16th, 2011

Present: B. Sawchuk; J. Randall; M. Wrolsen; E. Shafer; J. Barbour, and G. Marzec

Absent: L. Thornton; S. Thorpe

Convened: 7:00 pm, Saugerties Town Hall.

- J. Randall is still awaiting comments on his last draft pamphlet for the Open Space Plan.
- G. Marzec stated that he hasn't written up the minutes from the May CAC meeting, but will get them out soon.
- Gerry also provided a summary of the last meeting of the Comprehensive Plan review group. Everyone has sections to complete over the summer which will be discussed and incorporated at our September meeting.
 - o Josh asked if agriculture-specific zoning is being discussed in the Comprehensive Plan. Gerry will check on this (typically the CP makes recommendations that can then be acted upon by the different committees and boards, in this case the Zoning Board).
- A Greenway grant was awarded to the Village in June for use in the completion of the revised Comprehensive Plan.
- E. Shafer presented her draft resolution on hydrofracking. All agreed that the content was fine, and that the material should be condensed to make it more concise. Elizabeth will revise the resolution.
- B. Sawchuk asked us to look at the Open Space Plan to see what is next on our schedule for implementing the Plan. We will discuss these at the next meeting.

As there were no further topics for discussion, our meeting was adjourned at approximately 8:15 pm.
